

Support the re-establishment of the Intergroup on Children's Rights

www.childrightsmanifesto.eu

The Intergroup on Children's Rights, established in 2014, was the first formal body in the European Parliament dedicated to mainstreaming children's rights and evaluating the impact of legislative and non-legislative work on children. Its re-establishment will reaffirm the EU's commitment to promoting and protecting children's rights both internally and externally.

I, (name and surname), Member of the European Parliament for the term 2024- 2029 hereby certify that (check appropriate boxe(s)):

- Support the re-establishment of the Intergroup on Children's Rights
- Wish to join the Intergroup on Children's Rights as a member
